La collection

The JACK&JONES BLANKS collection embodies the spirit of modern streetwear, combining comfort, style, and a commitment to sustainability.

This brand celebrates loose, contemporary silhouettes in a wide range of cuts, including hooded and crewneck sweatshirts, polo shirts, and short-sleeved t-shirts.

Ideal for textile printing, JACK&JONES BLANKS garments offer excellent print quality and a flawless finish for your designs.

Available in various weights and free from branding labels, these perfectly adaptable pieces are the ideal choice to turn your merchandising ideas and corporate lines into success.

CLOTHING DESIGNED FOR THE FUTURE

Driven by an eco-responsible approach, the brand favours premium materials carefully selected for their quality and reduced environmental impact. This choice ensures not only a soft and comfortable feel, but also a more sustainable and eco-friendly production process.

Available in a range of subtle or vibrant colours, the collection easily adapts to all styles. Its high versatility allows each piece to be mixed and matched effortlessly, creating looks that are both modern and cohesive.
